

GLOSSY COLLECTION
600_m X_m 600

Let's add some efficiency

Lined up through careful evaluation of the current trends, the series draws its inspiration from nature. Featuring a high gloss surface, this tile series is highly versatile and suitable for all intended uses in both domestic and commercial settings.

GLORIO BROWN

A horizontal rectangular sample of a brown ceramic tile. The surface has a mottled, natural stone-like texture with various shades of tan, beige, and light brown.

GLORIO COIN

A horizontal rectangular sample of a light grey ceramic tile. The surface features a subtle, wavy, and crystalline texture, giving it a mineral or coin-like appearance.

GLORIO FLINT

A horizontal rectangular sample of a dark grey to black ceramic tile. The surface is highly textured and irregular, resembling the rough, fractured surface of flint or volcanic rock.

GLORIO LEAD

A horizontal rectangular sample of a blue-grey ceramic tile. The surface has a complex, layered texture with darker blue and grey tones, reminiscent of aged lead or slate.

GLORIO OAT

A horizontal rectangular sample of a brown ceramic tile. The surface has a grainy, organic texture with variations in brown tones, similar to oatmeal or natural earth.

GLORIO TAN

A horizontal rectangular sample of a light tan or cream-colored ceramic tile. The surface has a soft, slightly mottled texture with subtle variations in tone.
